

# Celtic Knot Coaster Diagram

When you print out this document, this line should equal the measurement above – then you know it is printed out the correct size! 😊

I am so glad that you are making this project and trying your hand at weaving a Celtic Knot! Remember there is a video tutorial on our [Youtube Channel](#) to help you – Click [here](#) to watch it.

If you like this Celtic project, check out this page [here](#) to see more Celtic Knot projects on our blog: [Celtic Knot Crochet](#). Thank you!
